Quarter Master Generals Office
Pay Bureau August 2d 1864

Whilst their accounts show an apparent large balance against Pay Corps, there is actually only a small balance of some 400 or 500 dollars.
This occurs from the fact that all the entries up to about Nov 1913 are duplicated on the books of this office from the Pay Office on the Pay branches
This error grew out of the system at first of work throwing out the payments of the Pay branches both made on the G.S. branch and consequently there is now charges on both branches. Actual error will of course be corrected on the Undation Office books. They have the two accounts with the Navy

Rosters returned to the 2d. Mr. Genl. for his action.

General S. & I. Cooper
Adjutant & Insp. Gen'l
General

I have the honor to report that
Lieut. De Pinedo in the month of July 1861 was since that
time twice promoted to duty as follows.
From July 1861 to April 1862 Sig. Engineer & at
Pensacola during from April 1862 to July 1863 with Gen'l
Army of Northern Va. by order of July of War since from
July 1863 to the present time with Maj. Gen'l Beauregard
of this Insp. Gen'l Office and also on duty with him.
It appears that my original certificate
of appointment was issued in the name of W. H. Campbell
instead of W. H. Campbell. In this case my commission was
not executed until very recently.
Par XIX By order of the 20th it appears that W. H. Campbell
was dropped from the Rolls as a supernumerary.
I am bound to suppose that this order has reference to
me as my own surname does not appear upon the
Rolls — but I have never been informed of this order

I have just learned from Capt Boulin Comg this Post that he has forwarded the resignation of Maj Cantelfield from at this place. That officer should be hung for wilful & flagrant violation of the laws and general orders, prohibiting the employment of men fit for service in the field as clerks, as will be seen from my "Inspection Report" from this place, which will be forwarded in a few days.

Sir

I have called your notice of the

as Chief of Artillery. He is a faithful &
capable & intelligent officer & I believe good
able. Lt Hallbertson holds the commission
of 1st Lieut in the Regular Army, and is entitled
to all those of the Captains forming the Art

The military position
of the mil. Dept of Gulf, and the Captaincies of the
three Artly Companies are to rank, is not
as considerable to the best interests of the Service
as should desire, and I therefore most
respectfully recommend Lt Hallbertson to
the Gen. Artly Dept for promotion - to the grade
of Captain in the Regular Army.

Lt Hallbertson is a graduate of West Point
and by reference to Gen Thornton, the Gen'l
Commanding Dept can be fully satisfied as
to the Score of his merits. I am satisfied that
he deserves the promotion, & with the facts
placed before the President, I have no doubt he

I have written to you on the subject of the organization of the Trans Miss. Dept Court but fear that it has not reached you - I write again giving you what I deem necessary information touching the non-organization of the Court.

Col Lovell Buck and self have reported for duty but there is no information at Hd Qrs that a third member has been appointed Until official information of that fact has been communicated the Court cannot organize

Major Bryan of Genl Smith's Staff was some months ago appointed a third Court but I learn at Hd Qrs he has not signified his acceptance or refusal at this date - thus we are situated, and the public business is neglected. Many persons are detained often a long confinement awaiting our action. I deem the presentation of these facts one sufficient for your action

It is with great pleasure that I offer my testimony to those of the other gentlemen who have preceded me, in relation to the qualifications and merits of Mr. Matthew Cullen, whom I have long known and highly esteem. The breaking out of the war, and Mr. Cullen's well known attachment to the South, obliged him to sacrifice an established practice at the bar in St. Louis, and to abandon his residence there. I take great pleasure in recommending the appointment of Mr Matthew R. Cullen of Missouri the Judge of the Military Court of the Trans Mississippi District. Mr Cullen is personally and favorably known throughout the Missouri Army and I can assure you that no appointment which you can make will give more general satisfaction. Mr Cullen took an active and prominent part in the secession movements in Missouri and was a leading member of the Minute Men Association of St Louis, and has only been precluded by physical disability from taking an active part in the field. Sir

I have the honour to respectfully request the appointment of Judge on one of the Military Courts in the Trans Miss. Dist. I have been a practicing lawyer for twelve years in the City of St Louis Mo. I left my home and property in the beginning of the struggle, and have aided the Confederacy in the humble position which I was assigned. Sir

I am aware that Reports
are required to be handed in before the 20th day of
the month immediately succeeding the Quarter, but
I trust adequate apology for the delay
will be found in the events & movements, connected with the
very recent campaign of this army.
The only exception of importance that occurs to me
in the supplies of the Quartermaster's department
has been the quality of axle grease & grease
of Hams oil seems serious attention - In this
Axle grease now used there is not enough grease,
as compared with the other ingredients - The
mixture, it seems well suited for the purposes it is intended
for.

Sir

Col Crumby informs me he is on his way to Richmond and I am will call on you for the appointment of Brig Genl in the army of West of the Mississippi—

I have known Col Robt H Crumby from his youth up to this time— He was raised and educated in Mississippi and on reaching Manhood removed to Texas— He has been in this war from a very early day after it commenced He has been in many engagements and always performed the part of a good Soldier— He was elected to the command of the Third Texas Regiment at Corinth

and I was present when he was
before the Board of examination
and I understood they passed
him in a complimentary manner
I believe him to be a brave
active, and an acceptable officer
and he will do good service
in any post you may assign
him — With great Respect

To His Excellency President Davis.

Sir.

An effort will be made by the friends of Colonel R. H. Cumby to secure him a much higher position than he now occupies (Aid-de-camp to Myself) Col C was a Capt in my old Regiment = 3rd Texas Cavalry. He participated in the battles of Oak Hills, Bentonville. Elkhorn & Corinth — and acted with conspicuous gallantry on each and every occasion. When I resigned the position as Colonel. Capt C was with great unanimity elected Colonel of the Corps. From sickness he was compelled to resign — the Regiment unanimously petitioned him not to leave them. He withdrew his resignation 3 days after it was made and through neglect of Genl Van Dorn's Adjt Genl, the Corps was left up to the War-department and acted upon throwing the Colonel out of office. Col C is a fine and efficient officer — prompt in the discharge of his every duty, and soldier like in all of his bearing. His whole state as well as myself would rejoice at his promotion. Dear Sir

Learning that
the friends of Col R. H. Cumby have determ-
ined to make application in his behalf
for the position of Brig Genl, it affords me
much pleasure to add my testimony to
the many evidences he has given the country
of his distinguished, senior in the field,
of his eminent fitness for that position,
Amongst the earliest to enroll himself one
of the defenders of the field of southern
rights, he has demonstrated both by Camp
fire & in fight his devotion as a soldier &
his capabilities as an officer - I feel
fully justified in the assertion that should
he require the appointment no man would
take into the field more popularity as man
and officer, or in that position accomplish
more substantial good for the cause - As a
commander of Cavalry he has been &
would again prove eminently successful,
Reflecting the sentiments of my Regiment,
I have no hesitation in saying that should
he be appointed there is no Genl who would be
preferred to him if the choice were given
me -

Soliciting most earnestly your influence

Head Qrs. Walker's Division
Near Dalton Ga., Dec. 7, 1863

Colonel:

Your note in reference to the commissions of certain members of my Staff dated Dec. 1st 1863 has just been received. Captain Jas. B. Cummings A. A. General of my brigade upon the organization of my division May 23rd 1863 and he was assigned to the same duties in the division, which was without division staff officers. I desire to retain him in the discharge of those duties on my division staff with the rank of Major. Captain Samuel H. Lumpkin was commissioned as Captain & A.D.C. in Cobb's 12th Ga. Battalion. He was transferred from that command, and with that commission to my Brigade Staff assumed the duties of Asst. Insp. Gen.

I desire to retain him in the discharge of these duties on my Division Staff with the rank of Major

In nominating these two officers for the rank of Major I mean to make no comparison invidious to Capt Keogh. Capt Keogh is a gallant and meritorious officer and received a severe wound at the battle of Chickamauga from which he is still suffering. It would be extremely gratifying to me if he could receive the commission of Major but I am unwilling to do injustice to the officers of this grade. I recommend Captain Jos. B. Cumming and Capt S. N. Brumby whom I originally selected expressly for the positions they at present occupy and ask for

General:

In response to yours of the 19th ultimo in relation to certain nominations for Staff appointments, the A & I. General directs me to say to you that the former application for appointment of Captains Cummings and Thompson as Asst Adjutants General was returned on the 12th of August for information as to whether the Division commanded by you was a new division and without a Staff or, if not a new one, what became of the former officers of it. The want of Departmental returns, showing the organization of the troops renders the information necessary before making new appointments. When the desired information shall have been received, the application will be considered.

Lieut Lamar has been appointed Aid de Camp to date May 23d 1863 and appointment

forwarded sometime since.

With reference to an Inspector General, it may be well to remark that the Law does not provide for such appointments. Two Asst. Adjutants General are allowed to a division one of whom may be assigned to duty as Inspector.

Very Respectfully

In reference to your recommendation of Captain Cumming and Trout to be Asst. Adjt. Gen'l and Capt. Crump to be Inspector Gen. of your division, the Secretary of War directs me to say that but two are allowed to a division, one for Asst. Adjt. Genl and one for duty as Inspector General. Under this rule, one of the officers recommended must be left out and it is desirable that a selection be made and the officers best qualified for the positions recommended.

A copy of a communication from Major Genl Walker, dated Nov. 11 1863, in which he informed you that his Division was first organized when he took command of it and was without Division Staff Officers, not being on file at these Head Quarters, I have the honor, & here the honor to state the facts above recited as to organization and Staff officers, with a view to the special purpose for which accompanying papers are forwarded.

General,

I had the honor to address you a communication dated "Baileys Miss. June 21st, 1863" requesting the appointment of Lt. Robert Louis (at that time a Volunteer Aid on my Staff) as Asst de Camp with the rank from date of my own commission as Major General (25th May, 1863) and also the appointment of Capt. Robert Martin, Corps of Artillery, to my Staff with official rank. I received subsequently a communication from your office dated July 22, 1863, informing me that the appointment of Capt. Martin as Chief of Artillery could not be made; but, that, if he had 24 guns under his command, he would receive the commission of Lieut Colonel. Immediately after the date of the above letter (July 22, 1863) Mr

tifying you that there were that number of guns attached to my division of which Capt Martin was the senior Artillery Officer.

In the same communication I requested the promotion of Capt Jas. B. Cumming and J. R. Trout, my Asst Adjutants Genl, and Capt Samuel K. Cumpe my Inspector Genl, to the rank of Major in their respective departments. I have this day received for Captain Martin a commission of Major of Artillery instead of that of Lieutenant Colonel which was expected; but no response in reference to the commissions of the other officers above named has yet reached me. Presuming that the matter has been overlooked in the multiplicity of papers submitted to you; or that the commissions have been miscarried. I have the honor to renew my (former) application. Capt Cumming has held a commission in the Artillery Department (with the exception of the period between the tenth of February 1863 and the 3rd of March 1863) since the 15th Feb 1862. Capt Trout has been confined in the same department for several months. All of the officers recommended have been in active service since the commencement of the war.

I have the honor to state in this connection, that all the officers in this Army and, I believe, elsewhere in the Confederate States's service of the same grade as myself have the number of Staff officers that I now apply for, with the rank indicated, and I respectfully request that the Commissions asked for be forwarded at your earliest convenience.

I have also made application, heretofore, for the promotion of St Lawson Magruder of the Ordnance Department and now Ordnance Officer on my Staff to the grade of Captain. I now renew the application as the

Darling Genl Johnston Encloses You Col Wm M Thompson Letter to which I beg to call your attention. At Shelbyville the point from which he writes, there is a large amount of Provisions belonging to the Govmnt and at which point the Govmnt is having packed 25 to 30000 Hogs & 4000 Beeves to protect which is a matter of great importance and I regret to say that in that Community there is an Element not altogether favorable to the interests of the South. In an interview with Col. Thompson he informs me if sufficient with discretion he can protect all public interests Please direct me what course to pursue & I suggest that it would probably be well enough to detail Cavalry from the Militia or Volunteer force a sufficient guard to protect Govmnt property. The right kind of men (with discretion) can be got from the Militia to protect the property. I have a limited Guard but fear it is not sufficient. Let me hear from you at your Earliest Convenience.

Sir

I have the honor to inform you that on the 1st of January I assumed charge of this City, having been ordered by the Secretary of War to report to Major Genl Hitchcock Commanding Dept of Washington D.C. I then had the honor and duty to communicate that Surgeon Todd U.S.V. was ordered to relieve me on assuming charge of this Hospital and during my absence I left Surgeon Todd in charge of the Hospital and City. Surgeon Todd remained in charge of the Hospitals and City during the absence of Surgeon Commanding and during my absence on duty in the Department of the South. Surgeon Todd remained in charge of the Hospitals and City during the absence of Surgeon Commanding Dept, and since the arrival of Surgeon Todd from his leave of absence I have had the honor to report to him for duty. Surgeon Todd has been in charge of the Hospitals and City since his return from leave of absence. Before I left Surgeon Todd was relieved permanently in charge of U.S. Gen'l Hospitals and the Surgeon General's order assigning the name of Surgeon Todd was sent to the Quartermaster for the transportation of his baggage. I request that the Order for Surgeon Todd assuming charge of the U.S. Gen'l Hospitals may be given as early as possible.

I have the honor to remain

Major Giles M Cooke
Asst. Adjt. Genl.
Charleston S.C.

Major:

I have respectfully to request that the Commanding General will allow Surgeon William Henry Cummings to remain, each week for a time, on the duty of vaccinating the Troops in the Mil. District of Georgia.

I asked the assignment by Genl. Beauregard, on a suggestion made by Surgeon J. S. Crowell, Medical Director of General Hardee's and I hope that Officer will be able to spare Dr Cummings services to me, until the more important part of the work can be done. In addition to the Troops stationed on the different lines around this city I propose to have those between sixteen and eighteen years of age and those between forty five and fifty vaccinated.

It is estimated that there will be from ten to eight thousand troops in the State of Georgia and I much desire to have the vaccination done speedily and well.

Surgeon Cummings is an expert and is devoting himself to the labor with great energy. He has been remarkably successful in one he cases which I attribute to the purity of the virus used by him. By his careful exploration he succeeds in keeping on hand a supply of fresh and healthy virus. This cannot be done when it is sent on

duchaine, especially in severe cases.

I am informed that the Superintendant of Columbia S.C. vaccination does not embrace within his field of duty the Military District of Georgia - The superintendant of vaccination for Virginia Tennessee and Georgia is stationed in Richmond. and all applications for virus must be made to him -

Considering all the circumstances, the fact that many cases of Small Pox have appeared in many parts of Georgia and the importance of guarding our troops at once against this terrible disease, I do respectfully request, that the Medical director of General Hospitals, only allow me the services of Surgeon Cumming as long as possible -

Very Respectfully

Sir,

In opening the General Hospital (1st. Georgia Hospital) to which I have been assigned as Surgeon in Charge, I find myself without supplies of food and without money. Rations can be supplied only as they are demanded by the forms. The Hospital must therefore open its doors to sick and wounded and weary & hungry men without any food already on hand for the supply of their wants. Articles other than those furnished by the Commissary cannot be purchased for want of a supply of money. This condition needs a remedy and I request an order from Headquarters directing the Commissary to issue to the First Georgia Hospital five hundred rations to be hereafter accounted for on the provision returns. I also request that instructions be issued to Surgeon N. H. Huger of the Soldiers' Relief Hospital to furnish to the First Georgia Hospital the sum of Two Hundred dollars from his Hospital Fund to enable me to purchase such supplies as I shall need before the accumulation of a fund in the First Georgia Hospital.

Gen. G. T. Beauregard C.S.A.
Comdg. Dept. of S.C. & Ga. -

General,

For more than a year I have now been a Surgeon in the Provisional Army of the Confederate States: until the middle of March Medical Director for the District of Georgia, and since that date Superintendent of Vaccination first for the District of Georgia and afterwards for this Department. During this time I have been steadily at work, my health having been so uniformly good and the pressure of my duties so great that I have had no right to ask a leave of absence. Tho' wanted I now request it if the public service would thereby suffer. But my duties are now light and must continue so until new forces are brought into the Department. I have informed the Surgeon General that my time will not be more than half occupied after the 5th of October. He wished me to continue in the office under the impression that in November the work of vaccination will assume larger proportions.

I should like to visit my wife and children residing at Marietta Ga. In order that the public service may not suffer in the least, I request a leave of absence for fifteen days between the 5th of October and the 5th of November. I shall then be able to give fifteen days of work at each time during the months as the interests of vaccination shall render most suitable.

I am Respectfully

Sir.

Having given the Secession of Georgia, my native State, precedence, my Commission (of Volunteers) in the Army of the United States. — I have been much desirous of offering my services to the South in that capacity to which from previous education and training they might be deemed to be of some use.

Upon the passing of the Regiments of Enlisted men by the State of Georgia. — I received from the Executive of the State the Commission of "Major".

Recent appearances seeming to indicate that these Regiments will not be received into the Regular Military Service of the Confederated States, and all our previous experience having been of such service. — I have the honor to tender my services for the Regular Military Establishment of the Confederate States. — I am, Sir.

Hon. J. P. Benjamin
Secretary of War
Confederate States

Sir,

The Confederate Government having called upon the State of Georgia for twelve additional Regiments, which are now in process of organization, I venture respectfully to lay before the Department the hope I entertain that my present position in the Provisional Military Service of the Country, taken in connection with my length of service may serve to bring my name under the favorable consideration of the Department for promotion in one of the seven new Brigades that are to be constituted.

In saying so much I trust I shall be considered to violate no canon of Military Etiquette, or to outrage the fastidious point of true officer seeking. As a soldier by profession, I am not unnaturally desirous of promotion: and united with this desire is the belief which I hope I will not be considered unreasonable that I should entertain that, if the Government be pleased to accord to me this promotion, a Military Service of thirteen years will be found to have effectively qualified me for the discharge of the duties of a higher grade.

While confident - that the Government

From report of Col. Chilton, Asst. Adj Genl to Genl Lee
it appears that there are no Georgia troops in the com-
-mand that are unbrigaded, & where Brigadiers are absent
they are so temporarily. There are however in the Corps
of Maj Genl. Kirby Smith, several Georgia Regiments equal
to a brigade & which it is understood, have not yet
been brigaded

Sir

I have the honor to inform you, that a Company of Volunteers, under the command of Capt. Wm. H. Young, was this day received by the undersigned, as a part of the quota of this State, under the late call of the President of the United States for troops. The Company is composed of fine looking men, and is well drilled, and will be ready to march at a moments notice. Capt. Young has been in command of the Company for some time, and has labored assiduously to perfect it in drill and discipline, and I am satisfied that he will do credit to the position to which he has been appointed. I have the honor to be, Sir, very respectfully your obedient servant

General

Having been for an unusual period of time incapacitated for duty in the field on account of wounds received, I have deemed it advisable to make a Report of my physical condition at this time.

I was severely wounded in the Thigh joint. as well also in both hands, in the engagement at Jonesboro August 31st, I have not yet so far recovered as to enable me to rise from bed.

I have reason however to hope that I will eventually be able for the performance of active field service; though I apprehend some months must pass before I shall be able to discharge military duties of any description.

I have the honor to report that in looking after the Wounded sent at Dr Russells, in pursuance to your order of 24th inst. I found two wounded men at David Thompsons, one of whom I brought with me to Corinth, the other will be brought in to day. Mess Thompson are very poor men, and ought to be compensated for their services. Also in compliance with your instructions. I inquired of Dr Russell the amount of damage that he had sustained. And he expressed himself perfectly satisfied with the ten days rations for two men which I had taken with me, which I thought it best to leave with him.

Hon. J. P. Benjamin
Secretary of War
Confederate States

Sir.

The Confederate Government having called upon the State of Georgia for twelve additional Regiments, which are now in process of Organization, I venture respectfully to lay before the Department the hope I entertain that, my present position in the Provisional Military Service of the Country, taken in connection with my length of Service, may serve to bring my name under the favorable consideration of the Department for promotion in one of the three or more Brigades thus to be constituted.

In saying so, I think I shall be considered to violate no requirements of Military propriety, or to exhibit, no fair indication of over office-seeking. As a Soldier by profession, I am not unnaturally desirous of promotion: and a limited part this desire is the belief which I hope it will not be considered unreasonable that I should entertain, that, should the Government see fit to accord to me this promotion, a Military Service of thirteen years will be found to have sufficiently qualified me for the discharge of the duties of a higher grade.

While confident that the Government

shall make the best selections now in its power. I beg leave to call the attention of the Department to the fact that, besides a number of appointments to commissions have been conferred upon gentlemen of more or less eminence in civil life, all the officers of the Line Service, who were my seniors in that Service, natives of the State of Georgia, have already received appointments as Field Officers.

My dear Sir

I write a few lines to you, as a few moments on your precious time, relative to a matter of great general interest, in which I have a private & personal one.

Georgia has been called upon for another regiment, making the Confederate and State Regiments. This will lead to the appointment of several Brigadier Generals. I suppose three appointments for Georgia & I suppose will be made from Georgia officers now in the service. Among these I have always (my Elect) Colonel Lipscomb (now commanding the 10th Georgia Regiment, — in the service). I understand his name is now before the President & that three Brigadiers will be selected by the 1st of June ensuing. Lipscomb & Brigadier Gen. Alexander and Major Gen. Magruder. He is about thirty three years old, was a private soldier 3 years in the old Regular Army, then Colonel of Georgia Regiments — he is a temperate man, brave, intelligent — a good disciplinarian — is what I am informed, a great favorite with his officers and men. He is a pretty high character I give him. I would not do so if I did not know that you may, with very little trouble, test the correctness of my statements. Your official position, I presume, brings you

[illegible] communication [illegible] of the [illegible] different
grades, and especially [illegible] Georgia [illegible] [illegible] [illegible]
Forrest still my son. [illegible] and take the trouble of
conferring with [illegible] them and speaking with those who have
been with or near him in The Peninsular. You could Easily judge
whether Gordon has been unduly influenced by the paternal feeling
I could not think of putting you to all this trouble if it had reference
only to my family interests; but it certainly is a matter of great
interest to Georgia and the Confederacy that our Rulers should know
something of the merits of the men to be placed in positions of
importance. With these views I am emboldened to ask that you
will give yourself to the trouble of inquiring into the personal
and professional merits of Gen. Cumming — and then determine
whether you may safely and properly urge — and if not whether does not to
the same extent, or some sort, your duty to recommend his appointment.
I Say what I think of these cases & beg you will understand
that with Gen. it is matter of favor — and I claim nothing as
matter of right.

With best wishes for your health and happiness & the
most ample success in all you may undertake for the good
of your common Country, I am very truly

The Georgia troops referred to in the accompanying report of Col. Chilton, are those which have been called into service by the Governor of Georgia for the defence of the State, and which have been retained within the limits of the State by the Governor, — at the earnest solicitation of many prominent citizens of Georgia, who represented that the withdrawal of any portion of the force would expose the State to invasion.

Regarding any change as likely to produce dissatisfaction, the General Assembly of the State has been urged to request the Governor to withdraw his troops from the State.

Should a change be made, it is probable that the Georgia troops will be ordered to Virginia.

My dear Sir

My dear Major Cummings, late a Captain of the United States Army applied to me requesting his commission, as the one State should be ready, for the same as you might of the same day I elected him by a handsome vote of the Georgia delegation of his native town, to the command of the Second Volunteer Battalion now with the rank of Lieut Colonel, so he generally associated and now holds the office of Major in the 2nd Regiment of the Georgia Army. When the Governor was organizing the Regiments a friend of Major Cummings thought he might reasonably apply for the rank of Lieut Colonel in one of them. The policy of making civilians appear subordinate to that rank settled the question, & he then politely requested, a few hours, when this State organization is about to be superseded by that of the Confederacy he accepted again, through a friend, & respectfully urged his pretensions to the rank they began to think he might have properly claimed. I refer to the Corps of Engineers Department under the control of Major [illegible] and for whose accomplishments, ability and fidelity as an officer I have the highest respect has been [illegible] promoted to the position of Lieut. Col. He is an accomplished [illegible] Civil Engineer and besides has had much experience. His friends, feel that [illegible] to [illegible] appointments, made by the President to his present rank, [illegible] faithful service, that [illegible] during the [illegible] circumstances, ought not to be had. There are [illegible] three Corps in Department, each [illegible] by a Brigadier and [illegible] by a Colonel by [illegible] of seniority, and there are a number of other [illegible] if [illegible] to put him at once in command.

I [illegible] think, looking to other [illegible]

that I have been made. That it is the
Matter of Justice to Col Cummings, I
to the Service that he should be kept in
a Position where his Talents and Exertions
can be employed with so much honor and
usefulness to his Country and credit to himself.
The cordial personal Esteem which
I have formed for him and the lively Interest
I take in his welfare, as a Fellow Citizen
induce me to ask you as a personal favor
to me to use your influence in Procuring
of President General
the Appointment, which I have reason to hope
this has been recommended by the President,
and which I known to be deserved.

Yours most truly

General

Having been for an unusual period of time incapacitated for duty in the field on account of wounds received, I have deemed it advisable to make a Report of my physical condition at this time.

Very severely wounded in the Thigh-joints. as well also in both hands, in the engagement at Jonesboro. August 31st, I have not yet so far recovered as to enable me to rise from bed.

I have reason however to hope that I will eventually be able for the performance of active field service; though I apprehend some months must pass before I shall be able to discharge Military duties of any description.

Sir, I have the honor to inform you that Col. Thompson Asst to what I beg to call your attention. at Shelbyville the point from which he writes. there is a large amount of Provisions belonging to the Government and at which point the Government is having packed 250 to 300 000 Rations & 400 000 Rations to protect which is a matter of great importance and I regret to say that in the Commissary there is an Element not altogether favorable to the interests of the South. In an interview with Col. Thompson he informs me if sufficient mule Transportation can be procured all public stores Please direct me what course to pursue. I suggest that it would probably be well enough to detail Cavalry from the Militia & Volunteer force a sufficient guard to protect Government property. the right class of men (not foreigners but Americans) Could be got from the Militia to protect the property. I have a loose Guard but fear it is not sufficient. Let me hear from you at your Earliest Convenience.

Sir

I have the honor to report that in obedience to the Wounded Men at Dr Averills, in pursuance to your order of 24th inst. I found two wounded men at David Mrs Thompsons, one of whom I brought with me to Corinth, the other will be brought in to day. These Persons are very poor ones, and ought to be compensated for their services. Also in compliance with your instructions. I inquired of Dr Averill the amount of damage that he had sustained. And he informed himself perfectly satisfied with the ten days rations for two men which I had taken into Camp, which I thought it best to leave with him.
